25X1  
1. Subsequent to our memorandum of 18 February 1964  
(OSA-0786-64), we have been advised that the projected  
overrun of [ ] on subject contract will more likely  
approach [ ].

2. This information is passed on primarily to keep  
you informed, since the Army Map Service people have been  
verbally notified both by this office and by the Contractor;  
and official notification requesting additional funds will  
be sent out by the Comptroller at our request. No further  
action should be required of you other than to document  
your files on this procurement.
